STUDENT SATISFACTION SURVEY-2021-22

The college conducted Student Satisfaction Survey through Google Form. It was about overall Institutional performance.

Student Satisfaction Survey Report-

Ten questions are given to cover overall college performers. Each question is given five grades: Excellent, Very good, Good, Satisfactory and Poor. Out of 404 students, 52 students reported their views.

1. Out of total reported students, 29.4 percent students reported Excellent grade for Overall impression of the college.
2. 37.3 percent students reported Very Good grade for Overall impression of the college.
3. 23.5 percent students reported Good grade for Overall impression of the college.
4. 10.8 percent students reported Satisfactory grade for Overall impression of the college.
5. 9.00 percent students reported Poor grade for Overall impression of the college.

This survey reports that more than 80.00 percent students are satisfied about overall Institutional performance.

Action Taken:

The students' responses were analyzed to prepare a summarized report which was communicated to the head of the institution.
